

Dear Principals and teachers,

**Invitation to the Announcement and Welcome Reception of
The Second Cohort of “InnoPower@JC: Fellowship for Teachers”**

Initiated and funded by The Hong Kong Jockey Club Charities Trust, co-organised by Ednovators as Lead Partner and supported by the Education Bureau, “InnoPower@JC: Fellowship for Teachers” (the Fellowship) aims to nurture the innovative capacity of teachers and support their initiatives to innovate in education. We are pleased to tell you that 14 teachers and their team from secondary and primary schools across Hong Kong have been selected to join the Fellowship as Teacher Fellows in the second cohort. Please visit our website (<https://jcinnopower.hk/teachers>) for the list of selected teachers.

An Announcement and Welcome Reception will be held to celebrate the start of their change-making journey, spread their passion in education, and build a community of educators and stakeholders. You and your team are cordially invited to join this special occasion. Please find details as follows:

Date: 26 January 2018 (Friday)
Time: 5:00p.m. – 7:00p.m.
Venue: 6/F, Happy Valley Stand, Happy Valley Racecourse, Hong Kong

At the event, the latest cohort of Teacher Fellows will be introduced on stage by the first cohort and will share their innovative ideas and their dreams in education. The event will be attended by Prof Kai-ming CHENG, Emeritus Professor of the University of Hong Kong, who chaired the final judging panel for both the first and second cohorts of Teacher Fellows.

We hope you will be able to attend this event to give our Teacher Fellows your support and encouragement. It will be an informal occasion where you will connect with like-minded educators and stakeholders and, with your help, will become the start of a new community of positive change makers in the education sector.

Additional details about the event, together with a route map to the venue, are enclosed. Please RSVP online: <https://jcinnopower-2ndcohort-announcement.eventbrite.hk>. If you have any questions, please contact us by email to teacherfellows@ednovators.com or call us on 5460 5829.
