

World Voice Hong Kong – Second year programme**Invitation**

Last year, British Council successfully ran a pilot year of the World Voice programme in Hong Kong with the support of the Swire Trust. We recruited eight local primary schools from Tuen Mun, Tin Shu Wai and Sham Shui Po, and 15 classes from Primary 1 – Primary 3 with 360+ students and 20+ principals and teachers were involved.

We are grateful to receive renewed support from the Swire Trust again this year and we will run the [World Voice Hong Kong](#) – Second year programme this autumn 2016.

World Voice is a teacher-training programme, developed by the British Council, which trains primary school teachers to use singing as a pedagogical tool to enhance the learning of children with diverse educational needs in a wide range of subjects. World Voice is aimed at teachers who have no musical training and the ability to sing is not a requirement.

Now, we cordially invite you to join our information session for World Voice Hong Kong – Second Year Programme on **Tuesday, 12 July 2016 at 10:00am**. Please see below for details. We hope you can join and hear how this innovative programme can help you and your students.
