

Educational Research Award Scheme (2021/22)

Information Sheet

Background

1. Since its inception in June 2013, the Committee on Professional Development of Teachers and Principals (COTAP) has been working towards building shared vision, mission and objectives for enhancing the professional development of teachers and school leaders in Hong Kong. To achieve these goals, COTAP has launched T-excel@hk, an overarching project which comprises eight areas of focus¹.
2. The Educational Research Award Scheme (“the Scheme”) is operated under T-share, which is one of the focus areas under T-excel@hk.

Objective

3. The Scheme aims to encourage teachers to try out, improve and share new or effective pedagogical practices through conducting educational research, further enhance teachers’ professionalism and support their continuous professional development, as well as promote a research culture within the education sector.

4. All full-time regular teachers² serving in kindergartens, primary and secondary schools (including special schools) (except English Schools Foundation schools, international schools and private schools offering non-formal curriculum) are eligible to apply for participation in the Scheme.
5. Participating teachers shall remain in employment at the same school / kindergarten as full-time regular teachers until the deadline for submission of research reports.

¹ The eight areas of focus are T-standard⁺, T-dataset^{PD}, T-train^β, T-surf^{24/7}, T-craft³, T-share, T-applause and T-bridge.

11. Only one application is allowed for each teacher in a single school year; each school / kindergarten can submit no more than 2 applications in a single school year.

³ Removal of an awardee’s status will be considered if:

- (b) he / she has received a reprimand letter from the Education Bureau.

Each case will be recommended by the Education Bureau for the acceptance of the Working Group on the Educational Research Award Scheme.
